Montgomery County Women's Conference

Katie brings over 30 years of experience working with organizations to engage and develop their people, meet business demands, and align culture with strategic goals. As President of the Dale Carnegie Franchise in the States of Pennsylvania and Delaware and portions of New Jersey, Katie leads a team of consultants and trainers focused on partnering with clients and exceeding expectations. In addition to leading the strategy and ensuring quality for her company, Katie supports team members in developing local and global strategic partnerships with clients. She works closely with clients to collaborate on talent management initiatives such as employee engagement, enhancing/supporting culture, and leadership development.

As the only global training company with ISO 9001:2015 certification, Dale Carnegie is a smart choice as a partner in creating consistency in training and talent management offerings for regional, national and global organizations.

Katie's company is one of the largest Dale Carnegie Franchises in the world, and has repeatedly been recognized as a member of the Millennium Club, which represents the top performing franchises. Her franchise is a certified Woman Owned business by Women's Business Enterprise National Council.

Katie is President of the International Dale Carnegie Franchise Association, a Board Member and Programming Co-Chair with The POWER of Professional Women of Philadelphia, and an active member of several Advisory Boards.

Katie lives in Harleysville PA. She enjoys gardening, genealogy, and being involved with her son's activities.
